Luxury Powerboats Day Itinerary

- Enjoy a full day onboard one of our stunning Motor Yachts. These awesome vessels combine raw power with style and luxury to make light work of even the choppiest sea.
- Arrive in Southampton; step aboard to meet the skipper and crew and to receive a full safety briefing. Your host will work with you to plan the best possible day.
- With such awesome speed to hand, the whole Solent is open for your exploration, whether West to the Needles and beautiful Western Solent, over to Cowes the European home of sailing or East to see the warships and Millennium Tower of Portsmouth.
- Many of our clients chose to have a powerful Rib accompany the Powerboat. Whilst the Princess and Sunseeker are all about consummate luxury and style, those who make the ship to ship transfer to the Rib are guaranteed an adrenaline high like no other! An excellent way of adding 'spice' to an already stunning day.
- For lunch, drop anchor wherever you want and enjoy the absolute highest standard of catering on board. Lunch ashore is perfectly possible, especially if you have taken the Rib option. There are some first class restaurants on the shorefront. Remember though, that the standard of our onboard catering is nothing short of exceptional.

What's Included?

- The price includes all the costs associated with the event from the moment you arrive to the time that you depart. Lifejackets and oilskins are also on board available for all participants.
- Those going on the Rib, will need a reasonable level of physical health rather than fitness. This event is unsuitable for those with knee, hip, back, neck or weight problems, and those who are pregnant.
