Our enormous enthusiasm and experience has made us a formidable force in delivering the highest quality water based Corporate Events in the UK. Ranging from the indulgent to the highly competitive, all our events are delivered with great style, on time and to budget. Just ask any of our customers - our events are great fun!

Luxury Sailing

- We offer a range of Luxury Sailing Days on beautiful yachts of the highest specification. Particularly popular are a matched fleet of modern 54' yachts offering high levels of comfort for up to 12 guests (see images).
- Boats of up to 100' in length are available for Luxury Sailing Days within the Solent.
- Matching the guests to the yacht and the crew, to achieve the most harmonious match within the budget available, is our particular expertise.
- The boats are fully crewed and set up for sheer indulgence and comfort - ideal for providing hospitality to important clients or simply spoiling staff!
- Guests are welcome to take part in the sailing or settle back and enjoy the cruise. No sailing experience is necessary - most of our guests have never sailed before.
- Great food is an absolute hallmark of our events, we have stunning on board catering as well as access to excellent restaurants and yacht clubs.
- The option of a powerful Rib to accompany each yacht is also available, providing both a tender for excursions ashore and a thrilling ride in itself.
- We always help with booking accommodation if required; we have excellent contacts with venues throughout the area and enjoy very attractive corporate rates.

Luxury Sailing Itinerary

- Enjoy a full day onboard a stunning luxury Yacht. You are free to tour the Solent and dictate the pace of the day.
- Typically the day will start at 09.30 and finish by 17.30 although the timings are flexible to suit your requirements.
- We normally start the event in Lymington, but Southampton, The Hamble and Portsmouth are also possible.
- Gather on the balcony of the Yacht Club or bistro to enjoy coffee and bacon rolls whilst admiring the superb view of the Solent. When you are ready, step aboard to meet your skipper and crew.
- We work with you to plan the day ahead, taking into account tides, wind and any events taking place. You might favour heading up the beautiful western Solent to the Needles or east to Cowes and the heart of world sailing.
- The day is flexible and may be tailored to best suit your objectives. Should you so desire, take part in a full day of sailing, alternatively settle back, enjoy the scenery, and allow the crew to do the work. You choose.
- Whilst lunching aboard is most popular, lunch ashore at a carefully selected yacht club or waterside restaurant is equally possible. We have excellent local knowledge and will be able to recommend venues to suit desired taste, atmosphere and budget. Soft drinks, hot drinks and snacks are served throughout the day.
- Many of our clients chose to have a powerful Rib accompany the Yacht. Those who make the transfer to the Rib are guaranteed an adrenaline high like no other! An excellent way of adding 'spice' to an already stunning day.
- We usually come off the water at 17.00 and have a drinks reception in a waterside bistro or yacht club to provide a perfect venue to continue entertaining and to go on to have an evening meal or BBQ if desired.
