## Rib Treasure Hunt

- Our Rib Treasure Hunt is tailored to fit the time you have available, your budget, and your preferred style from team building to pure fun.
- Fly across the Solent at high speed in close formation on identical Ribs en route to the Isle of Wight, armed with GPS enabled iPads loaded with the latest Treasure Hunt software. Features include location specific & general knowledge questions, video & photo challenges, music and a live scoreboard to track your progress and that of challenging teams. Epic fun!
- The Rib Treasure Hunt is huge fun, the experience is both stretching and entertaining; every team member will be able to take the lead in tasks ranging from the logical to the outrageously creative.
- The event is often run in conjunction with meetings and conferences.
- We frequently organise waterside locations for pre or post activity business meetings as well as booking hotels and organising coaches where required.
- The day will usually include breakfast on arrival, lunch and a Pimms prize giving reception. There are many exciting waterside bistros, yacht clubs and other venues to choose from and a range of catering options.
- The Ribs also look great when they are branded up with flags and vinyls. Please contact us to talk through the branding options.
- Half days and shorter are also available.
