Thames Rib Blast & Rib Treasure Hunt

Maximum of 420 participants

Our enormous enthusiasm and experience has made us a formidable force in delivering the highest quality water based Corporate Events in the UK. Ranging from the indulgent to the highly competitive, all our events are delivered with great style, on time and to budget. Just ask any of our customers - our events are great fun!

COWES WEEK
OFFICIAL CHARTER SUPPLIER

Thames Rib Blast & Rib Treasure Hunt

- Nothing else comes close. River Thames Rib Blasts and River Thames Rib Treasure Hunts are hugely exciting events. We make maximum use of London's geography in a way never envisaged before.

- By adding the fiendish professionally produced Rib Treasure Hunt to the Blast, we are able to introduce that vital element of competition between the boats.

- With no speed limits applying to us on large stretches of the Thames, we are able to make full use of the breathtaking speed and performance characteristics of these amazing boats.

- Owning Europe's largest fleet of Ribs, we are ideally placed to entertain groups of up to 420. Thames Rib Events are an ideal accompaniment to meetings or conferences.

- There are a wide variety of interesting waterside venues we use for any catering required before, during or after the event.

- Recent customers include MGM studios from Los Angeles for the relaunch of their James Bond archive.

- Please call to talk through how to best configure your event.

Event Information

- Thames Rib Blasts and Treasure Hunts are flexible to fit the time available and are often combined with company meetings, conferences and product launches as well as team building and customer entertaining.

- Let us know if you need your event to last just an hour, half a day or a full day. We operate on The Thames at any time during daylight hours seven days a week every day of the year except Christmas Day.

- Our Ribs are fast, fun, safe and immaculately presented. The Ribs are Coastguard coded and surveyed. Our skippers are fully qualified and commercially endorsed.

- We carry significant public liability insurance for the Ribs and all aspects of our event management services.

- The event includes either a tour or Treasure Hunt through central London and then a Blast down past the Thames Barrier where we have sufficient space to demonstrate the amazing handling of the Ribs.

- These boats normally operate in choppy coastal waters. In central London we are able to guarantee operating in all but the most extreme conditions. Typically only snow storms will stop us.

- We provide smart, breathable waterproofs for everybody, which will keep participants warm and dry even in the most inclement weather.

- Most clients join us at St. Katherine's Pier by Tower Bridge, convenient for both the City and West End and with a private access road for coaches. There are excellent facilities nearby.

- We offer a full range of catering to suit budget and tastes for before, during or after the event at a choice of nearby venues with great river views.

Treasure Hunt

- When a Treasure Hunt is added to the Blast, participants will be spilt into teams with each team on a separate but otherwise identical Rib.

- Teams are issued with tablets loaded with fiendish Treasure Hunt software – then the Ribs move off at two minute intervals into central London.

- The challenges will stretch the best informed Londoners whilst there is still plenty of content for guests for whom English may not be their first language.

What's included

The price includes all the cost associated with the event from the moment you arrive to the moment you depart except catering which is extra as specified.

Health & Safety

- Participants will need a reasonable level of physical health rather than fitness. This event is unsuitable for those with knee, hip, back, neck or mobility problems, and those who are pregnant.

- Life jackets are issued free of charge and must be worn.

Event Extras

- Branded boats – Rib tubes, console and flags

- Branded clothing

- Professional marine photographer
