Land, Sea and Air Event

- A seamless day of competitive action involving helicopters, Ribs and off-roading set in the New Forest National Park and on the beautiful waters of the western Solent.
- Using Ribs, the 4x4's of the sea, you will spend half a day speeding across the Solent in tight formation going from port to port for fiendish challenges as part of a Treasure Hunt, or to just enjoy the spectacle.
- Ashore, we have the ultimate driving challenge: Private use of an exciting purpose built 4x4 course with that legendary off road machine – the Land Rover Defender. Each participant will receive full instruction and have ample opportunity to drive.
- Step from the Land Rover into a helicopter for an aerial tour of that most famous of landmarks, the Needles, together with Hurst Castle, Alum Bay, the ancient port of Yarmouth and the castle guarding the harbour.
- If you prefer, we will arrange an alternative land section with more unusual kit such as 'power turns' and Segways or perhaps duck herding, archery and falconry.
- Operating out of the excellent seafood bistro in Lymington Yacht Haven, enjoying panoramic Solent views, the day will be non-stop action punctuated only by good food and finished with a Pimms prize giving reception.
